## More and more and More

I've been following your magazines for a couple years, and while the talent pool has stayed pretty awesome, every once in a while one comes along that's Letter To The Editor worthy. Mandy More is one of them. I first saw her a few issues ago, but then again in the last issue, I was completely mesmerized. She's a stunner and really seems to enjoy fucking other girls. But I have not yet seen her with a guy. But that doesn't really matter to me. I just like to see her in action and she is always right in the middle of it. If you have more photos of her, publish as many as you can. I won't be disappointed, nor will her other fans. — Ken, Phoenix

## Gotta take a break from this job

I couldn't wait for April. This winter in Connecticut was way too cold for me to take so I couldn't wait for spring break. I used to go to Daytona Beach but this year I'm going to try Panama City. I hear it's quite the party beach and I really need that about now. Sadly, my boyfriend can't come along -- so I promised him one last fuck to show him what he's going to be missing. I promised to stay loyal to him, but he knows I've strayed before. I mean a girls gotta do what a girl's gotta do. And that is, to have a whole lotta fun. — Donna Bell

## Can't get enuff of Avy

Avy Lee has always been one of my favorite porn girls. She's beautiful, great body and smile. I've had the good fortune of seeing her around town because we have some friends in common. Just being with her in every day life, you would never think she was in the adult business. As a matter of fact, it's kinda weird to see her in pictures and in films because I see her in real life too. Nonetheless, it doesn't change who she is and she is great. I just wish more "normal" people were more like her. If they were, we'd all be in a better place. But I'd also like to admit something I could never say to her. I do think of those soft, full lips wrapped around my cock just as it has done to so many others. I would love to touch and feel her perfect breasts. And, above all, I'd love to lick and kiss her beautiful pussy as she looks down at me with a huge smile on her face. Maybe she'll read this and know who I am.

—Avy Lee Fan, Los Angeles

## A Rose by any other name is ...

I would take on some painting jobs around the college to make some money to help pay for my books and such. Last week I was painting these rich people's indoor stairway when a young lady walks up the stairs without looking at me or saying a word and went into her bedroom but didn't close the door. She stood in front of the full length mirror and took off her dress. I couldn't help but watch and she must have realized I was watching. She moved her hands behind her back and unclasped her bra, letting it fall to the floor. Her boobs were beautiful!

"Do you like them?" she asked suddenly turning towards me. I struggled to find any words and just managed to squeak a 'yes.' Her ass was really sexy too as she walked over to the bed and said, "Come here and lick me." I put down my brush and entered the bedroom and saw she had laid back on the bed and spread her legs wide. I moved in between her legs and pushed my tongue into her deliciously wet pussy. She tasted real good. A moment later I could feel all the muscles in her pussy contracting as she came. I got up, wiped my mouth, grabbed my brush and went back to work. I could have sworn it was Rose from your latest issue. Really! —Morris, Maryland

SUBLIME  
SWINGERS

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

Monogamy was not a prerequisite for cavemen, so any woman was fair game. At the height of the Roman Empire, swinging was an underground activity, but a common, albeit dangerous, way of life amongst the Senators and their wives. In the US, swinging became "popular" with the rise of swinger's clubs, usually in the larger cities. In the meantime, the traditional swinger's clubs became more sophisticated; catering to a professional crowd. Many clubs, however were underground; private affairs that were conducted out of people's houses. Perhaps even a man cave.

Today swinger's clubs are defined as a place where both men and women can go to have casual sex with willing partners. Some people go just to watch or be watched having sex. In a typical club, there would be a reception area, private and semi-private rooms, orgy or group rooms with wall to wall mattresses, Jacuzzi and/or hot tubs, a dining room with a buffet, and showers. Some have stripper poles, glory holes, offer sex toys, or provide various other activities for the crowd they cater to. Also, most clubs, private or public, have a membership fee structure. Usually there is the membership fee and additional charges for each day a member uses the facility. Single men are often charged the most, then couples, and single women are charged very little if anything at all. The amounts charged are different everywhere, with different reasons for the variations.

All clubs have many rules and regulations necessary to keep the clientele happy and cumming back (pun intended). Many of the rules are obvious and social while others can be specific to that club. Almost all clubs have special nights or promotions to keep the sex spicy and the venue full. Many are oriented towards couples, who are the main clientele. Couples have to be comfortable with each other and with sex if they choose to indulge. Seeing your partner with another person can be quite unsettling if there isn't that trust or bond. Many studies have been done as to the impact on relationships after couples attend a swing club. Surprisingly, or not, many couples are fine afterwards with a small minority having post-swinging problems.

I'm sitting back in my man cave in my overstuffed recliner, puffing a stogie with my good friend Jack. I asked Jack (not his real name) to tell me about his and his wife's first experience. Rest assured, no relationships were harmed in retelling this story...

**Jack starts:** "We had settled back into a comfortable life of quiet, except when the lawns in the neighborhood were being attended to. That seemed like every day because every morning we were awakened by lawn mowers and leaf blowers and dogs barking back at them in return. Somehow, we've learned to tune them out. Barbie and Phillip live in the cul de sac behind my house. They had a nice

pool and a 5-day-a-week maid, but they always seemed to be at our house, especially for dinner.

The weekend came around and, like most Saturdays, we had a great meal along with a few bottles of wine. I grilled some hamburgers on the patio and we devoured them like cannibals that hadn't eaten for a month. 'They were just delicious.' We all agreed. It was a pleasant evening but after an hour the television shows we were watching got boring so my wife pushed the remote to turn it off. Barbie came back into the living room from the kitchen where she had retrieved and opened another bottle of wine. She refilled our glasses and as she put the bottle down, Phillip announced that he and Barbie had started swinging. Leigh and I were shocked. We would have never suspected these two to be swingers.

Leigh and I have talked about it, but never in reference to ourselves. It was always someone else or she would occasionally see something on the internet and bring it up. Living in a small Midwestern city, there were no outlets for that. Chicago was over one hundred miles away. Admittedly, I've had fantasies about screwing Barbie – and Leigh's confessed she's found Phillip attractive after she's downed a few drinks, but that's as far as it ever

got. Phillip continued with how they ventured into it. "We looked on the web for swinger's clubs and in the margins were ads for local swingers. We were

quite surprised to find any near this town and after clicking through a few ads that led nowhere, we came upon a couple that seemed legit." he said. Continuing, Phillip told us that they hooked up at a restaurant with this couple, and after a meal together, they decided they liked each other and went back to their place."

**Jack continues:** "It was very awkward at first. Barbie then looks right at me and asks, "Have you ever thought about it, Jack?" I steal a look to Leigh; my eyes seeking approval for what I'm about to spill. "Well, actually, yes." I mumbled.

Leigh chimes in, "We've only talked about it, but not in any way to say we would try it." she says. "Well, would you try it?" Phillip asks.

Leigh looks at me, dumbfounded. She, nor I, ever expected to be in this situation, but somehow I was finding it quite intriguing. I said let us sleep on it tonight and let you know tomorrow.

The evening ended pleasantly and I saw them to the door as Leigh cleaned up the living room. We talked about it at long length that night, exploring all the pros and cons we could think of. In bed we held each other, falling asleep wondering what tomorrow would bring.

The next morning, we tried to finalize our thoughts over coffee. I told Leigh that I was comfortable with it and secure enough in our marriage to try it. While she was a little less inclined, she agreed if that's what I wanted to do. With no encouragement from me, Leigh picks up the phone and calls Barbie. "We'd like to invite you and Phillip for dinner this Saturday night," she tells Barbie. "We'd feel more comfortable at our place," she adds. I think Barbie got the message.

Saturday rolls around and we spend the day prepping. Making sure that we and the house looked good. Right on time, the doorbell rings and I answer it. About nine pm we retire to the living room and Barbie sits on the sofa, patting the empty space next to her, beckoning me over. Phillip meets Leigh at the door between the two rooms helping her with the wine glasses she was toting. He puts them on the side tables and pulls Leigh over to the loveseat across from me and Barbie.

We got though another bottle of wine and after about half an hour Barbie starts getting closer to me and rubbing my thighs. I look over at Phillip and Leigh and see they have also begun and Leigh is moaning softly at his touch. My wife was saying in a soft sexy voice "Oh Phillip, that feels so nice." Barbie gets up and goes over to them. Phillip now has the two ladies leaning in against him. He has one hand cupping my wife's breast and tweaking her nipple through her top, and doing the same to his wife with his other hand."

**We talked about it that night, exploring all the pros and cons we could think of. In bed we held each other, falling asleep wondering what tomorrow would bring.**

*Jack continues:* I stood up and walked around to the lamps and lowered the lights a little more. I saw that my wife had completely removed her top and sat there with her breasts in Phillip's hands. I could not stand any more. I went over and took Barbie's hand to stand up. I helped her finish taking off her clothes and she helped me with mine. My cock sprang into full view inches from Barbie's face. Barbie took hold and told me what a great cock I had. Looking over at Phillip and Leigh as Barbie's mouth closed in around my cock, I saw Phillip had Leigh's nipple shoved into his mouth and his hand was disappearing between her legs.

I felt Barbie's hand curl round my cock and hold

it tight. I just closed my eyes and took in deep breaths as she nipped at it's head with her teeth and lips. My legs were shaking as she gave me one of the best blow jobs I think I had ever had. I must say Leigh is good but not this good. She licked the head of my cock and pushed her tongue down my slit. I placed my hands on the back of her head and slowly moved her head back and forth.

While this was going on I opened my eyes and looked at what my wife was up to now. They were both naked and Leigh was sitting on the edge of the sofa with her legs up over Phillip's shoulders. He was giving her a great pussy licking by the way Leigh was shouting and moaning. I watched as her legs gripped either side of Phillip's head as she came into his mouth.

I took hold of Barbie's hands and placed one on her clit and she started to play with it. I slowly kissed down her body until I was kneeling on the floor and my mouth was just a inch away from her shaven pussy shining with her flow as she still played with her clit. She cried out with pleasure as my tongue entered her and she pushed her self hard into my face. I stood up and looked over at Phillip and Leigh. She was still propped on the

edge of the sofa but now Phillip had hold of her ankles and her legs pushed back as far as they would go. His thick cock was deep inside her and he was fucking her hard as he could. She moaned and squealed with every thrust. I don't know how many times Leigh had already cum, but she was still cumming by the sound of it.

Barbie grabbed the tip of my cock and placed it against her slit and ran it up and down the length of her pussy until she decided to shove it in. With one hard push, I shoved my cock into her. By now, I was like a college freshman in heat and slammed hard into her until the full length of my member was buried deep inside her. I started long slow thrusts so she could feel all of me inside her. Phillip's cock was shorter than mine, so I knew she hadn't had a cock this long before. But that didn't seem to matter to Phillip as he was busy filling my wife with his cum. She squealed like I had not heard in a while as she growled "Fuck me, fuck me harder."

**Jack stops** and takes a long drag of his cigar and then a long drink of his beer. He looks at me and says he'd rather not go on. I told him that was cool. What's said in the man cave stays in the man cave.

### Have fun today.

I'm a woman of few words. I like to let my actions speak for me. I won't say that I'm going to blow you, I get down on my knees and do it. I won't ask you to fuck my pussy. I'll just grab your cock and put it there. As far as my ass? You can stick a finger in but you'll have to talk me into more. But if you want to watch me fuck, go to your computer or mobile device and tune me in with the promo code. If you want to hear me fuck, then call me now. Both codes and phone numbers are here for your stroking ease. Trust me. I told you so.

**I never left.**

I just dropped out for a while because life moves on. But I'm back and here are some of the very last of the photos of me done on 35mm film. After these it was almost all digital. And for all my friends out there I am always thinking of you as I shove this long dildo deep into my pussy. There is no better reminder.

### I'm a babe in toyland.

I've been asked many times what my favorite sex position is, and I don't have to think very long for the answer...

"Oh, it's on my knees!"

"But that's not what I meant." would be their response.

"But that's what it is." I'd insist.

"You're a guy. Tell me if I'm wrong – is it not where you want to see your lady? Yes it is, on her knees!"

# INTERVIEW

FEMME  
FATALE

## DANA VESPOLI

I've changed over the years. It first I was a gung ho college student out to change the world. Then the world caught up with me and it led me down this path that I'm now on. And I wouldn't have it any other way.

**I** just love beautiful girls leaving all their inhibitions behind and having rough, dirty sex.

**Fox:** We know you're now directing, but before we get to that, can we go back to the future? Back to 2003?

**Dana:** Of course. I hope I can remember enough to make you never ask me that again.

**Fox:** We understand that you were studying Victorian Literature in college. Why did you not pursue it more out of college.?

**Dana:** Well, smarty pants, it was actually Comparative Lit and after a few years of it, I realized there was little I could do with it, except to stay within academic circles. Don't misunderstand, I love the educational scene but it wasn't for me.

**Fox:** So you get into porn?

**Dana:** Not right out of college. I had a few years to research it and compare it to other professions (chuckles). I decided to start slow but now I'm up to my elbows in it.

**Fox:** Did you have good experiences in the adult industry?

# DANA VESPOLI

**Dana:** For the most part I did. It took a while to understand the business, but once I did, I understood why the bad ones happened. It was more subjective than objective back then.

Fox: I'd like to think that those were lessons learned now that you're almost all on the other side of the camera. Yes?

**Dana:** Of course. For me, I think I show a much greater care for the performers that back then. Especially the women. They've been abused in so many ways. Now, I don't necessarily make "women's movies" but I'm sensitive to the newcomer, to the acts I ask them to do, and for everyone, I try to make the scenes get finished in a reasonable time frame.

Fox: Does that mean a two-hour booking is finished in two hours?

**Dana:** Not always, but I don't let things run on and on. Sometimes you just can't help it, like when there are equipment problems, or the talent shows up waaay late. You know, The unavoidable stuff that happens in this business.

Fox: Was your transition to director/producer unavoidable, too?

**Dana:** Yes, it probably was. There were days, many of them, when I just wanted out. I wanted to quit. It was a love/hate relationship. Then when I stepped back for a while and talked it out, I came back with a whole new attitude, and a new job.

Fox: Do you like directing?

**Dana:** Yeah, I love directing. It's so empowering, but the best part is trying to make man's most basic urge into something more that many people can enjoy. Yeah, I do make some raunchy stuff, have to, but there are times that I think I'm creative and have the means to fulfill it.

# DANA VESPOLI

Fox: Do you still perform?

**Dana:** Yeah, here and there. Although I'm doing less and less of it. There are waaay to many good looking, and willing, people in the business now and it's their time to be in the spotlight.

Fox: Do you give new guys a shot?

**Dana:** I wish I could give every dude that come through my office door a shot, but that's a business impossibility. Obviously it's not the same for newbie women. It's a pussy driven business.

Fox: The future is at hand. How are you playing yours?

**Dana:** Carefully. Technology has monopolized this business. I spend waaay too much time on social media and sites like that than I should. But that is the world we try to make a living in.

Fox: Do you have a personal life?

**Dana:** Yes I do. Or try to. Anyway, it's nothing I want to discuss here. Wanna go for cappuccino?
